

Friends and Supporters of the Albuquerque Community Foundation,

We are excited to share news regarding the future of the Great Grant Giveaway, an event that has been at the heart of our organization for over a decade.

At Albuquerque Community Foundation, we believe in the power of community and the importance of making a lasting impact. We recognize that our world is evolving, and our community's needs are continually changing. With the update of our mission, vision and values after 42 years, we want to ensure that our grants align perfectly with these evolving needs. We believe it is time to reevaluate our approach, refine our strategy, and explore innovative ways to make an even greater difference.

For those reasons, we have decided to pause on the Great Grant Giveaway as we embark on a transformative journey to reimagine and reshape the mission of the event for the next 10 years and beyond. This pause is not a step backward but rather a thoughtful and deliberate step forward.

During this pause, we will engage with our most valued stakeholders: nonprofit partners, donors past Great Grant Giveaway recipients, corporate partners, and community members, to gather insights and input that will shape the next iteration of the Great Grant Giveaway. We are committed to making the program more impactful, inclusive, and responsive to the ever-changing landscape of Albuquerque and its surrounding communities.

Rest assured, your ongoing support remains crucial to our mission, and we look forward to continuing this journey with you. The Foundation will continue its normally scheduled events for 2024, and we hope to see you there!

We will keep you updated throughout this transformative process and eagerly anticipate sharing our reimagined vision for the Great Grant Giveaway with you!

With gratitude and appreciation,

Albuquerque Community Foundation Staff
