**2024 Impact Funds  
Foundation Staff Recommendations**

CEO Fund allocation	\$ 15,000	This provides an important resource to allow ACF's CEO to make timely grants to nonprofits based on his interactions with the community.
Staff Giving Allocation	\$ 32,000	This is an important allocation to support Staff responsiveness to the community. This will be the third year of this funding allocation that allows for \$2,000 per staff member to allocate to the non-profit of their choice.
NM Funders Collaborative	\$ 5,000	The NM Funders Collaborative is a collective of local funders, led by ACF, who pool resources to make high-impact grants in the community. Traditionally focused in Education, the Collaborative selects a focus area each year based on the needs in the community.
Great Grant Giveaway	\$ 15,000	This amount has traditionally been allocated to support grantmaking at GGG. While we pause the event for this year, we have committed to ensure that grantmaking is a component of as many of our events as possible this year. We will reserve this funding to support that effort through Trolley Tours, PEEP events, Annual Celebration, Speaker Series, etc.
Tapestry allocation	\$ 15,000	Tapestry is a fundamental component of ACF's journey in Trust Based Philanthropy. This would be the fifth year of funding and it is important to staff to continue this important grantmaking program. This year will include commitments to multi-year funding in the International District.
Strengthening Our Partners	\$ 43,000	Staff recommend allocating the remainder of Impact Funds to be used for the strengthening our nonprofit partners fund. This will be the third year of this allocation and funding will support capacity building for the nonprofit sector, including nonprofit leadership development, opportunities for grant writing workshops, development and growth for nonprofits as well as supporting coalition building in the nonprofit sector through funding, convening and relationship building.

\$ 125,000
