Re: NMCT Update

---

Major updates from NMCT are summarized below.

### ***San Juan County Outreach***

Efforts in San Juan County continue to progress, with outreach to the following prospective partners:

- NextEra Energy
- Mr. Jack Fortner
- San Juan County Partnerships
- San Juan Basin Chapter of New Mexico Society of CPAs
- Brindle Foundation
- San Juan United Way

### ***NMCT Structure***

As NMCT continues its statewide work around capacity building, intermediary/fiscal sponsorship and traditional community foundation services, the NMCT Board, in partnership with the ACF Board, and Staff, will undergo a review of the structure and landscape surrounding NMCT to ensure the most effective structure exists between ACF and NMCT.

We are proposing a collaborative process consisting of a subcommittee of NMCT and ACF Trustees and Staff to conduct this review. We anticipate this process will begin in April 2025 and will be completed no later than October 2025.
